Review the options on the page and find the plan that works best for you. When you are ready to sign up, select the “Join Now” button and it will take you to the USA Archery athlete information management system, Sport80.

If you have questions about which level of membership is right for you, please reach out to your coaches.

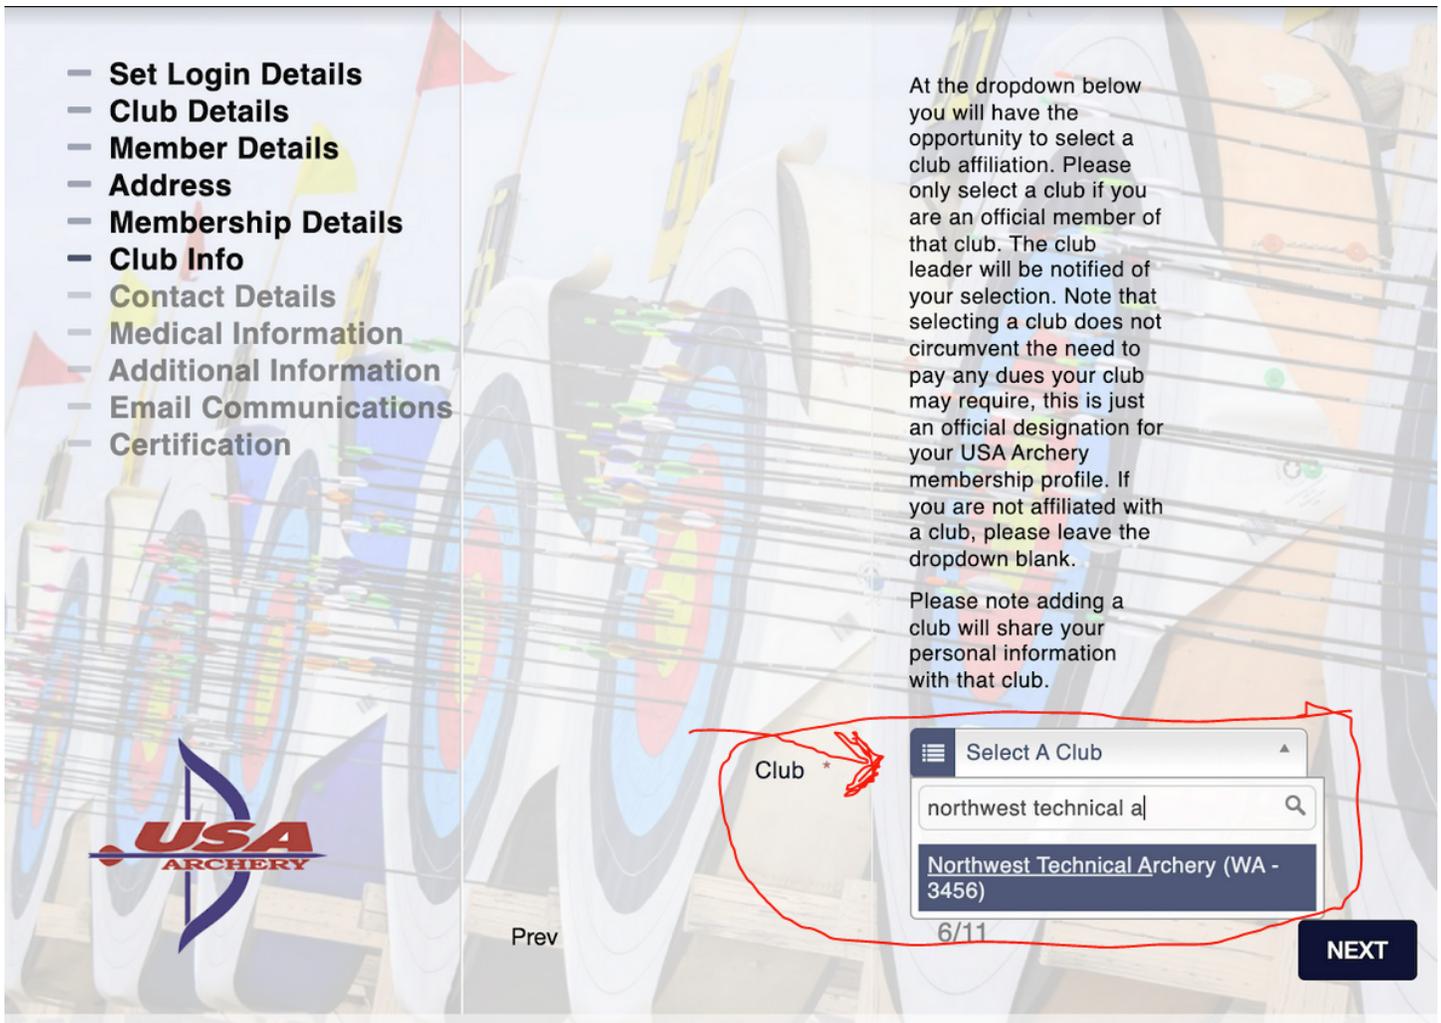

When you arrive on the page, you can enter your information to make your account, and then pay the fee for your annual membership. You can declare our club, Northwest Technical Archery, as your affiliated club so you don't have to go in and add it later!

Step 2: Declaring Your NWT A Affiliation

Make sure that as you are clicking through the sign up process, you ensure that you are selecting our club as your club affiliation. If you already have a USA Archery Sport 80 account, and you didn't sign up to be a member of our club, we can help you fix that. Just reach out to your coaches at nwtechnicalarchery@gmail.com.

See this screenshot below for what you are looking for when you sign up. Our club is called "Northwest Technical Archery."

The screenshot shows a sign-up interface for USA Archery. On the left, a vertical list of steps is shown, with 'Club Info' highlighted in blue. The main content area has a background image of archery targets and bows. A red arrow points to a dropdown menu labeled 'Club *'. The dropdown menu is open, showing a search bar with the text 'northwest technical a' and a search icon. Below the search bar, a single option is visible: 'Northwest Technical Archery (WA - 3456)'. A red circle highlights the dropdown menu and the search bar. At the bottom right, there is a 'NEXT' button. The page number '6/11' is visible at the bottom center.

At the dropdown below you will have the opportunity to select a club affiliation. Please only select a club if you are an official member of that club. The club leader will be notified of your selection. Note that selecting a club does not circumvent the need to pay any dues your club may require, this is just an official designation for your USA Archery membership profile. If you are not affiliated with a club, please leave the dropdown blank.

Please note adding a club will share your personal information with that club.
